To the Judiciary Committee,

I strongly urge you NOT TO PASS the SB 16 as I see it as another attempt to infringe on my 2nd amendment rights; rights that were granted to me by God, not by government or some other establishment.  
You need only to look back on recent history to see the effects of "gun control" measures on society (i.e. Hitler, Stalin).

In addition, I strongly urge you to REJECT H.B. No. 5416.

I respectfully request your support for the following bills:

- S.B. No. 388
- H.B. No. 5415
- H.B. No. 5412

Sincerely,

Heather E. White
